Q: What is the STANLEY D-1610?

A: The D-1610 is a grade 1 slim line door closer.

Q: Who is the D-1610 customer?

A: The D-1610 is a slim line closer uniquely designed to accommodate the standard aluminum storefront application.

Q: What arm options are offered on the D-1610?

A: The D-1610 is available in 6 unique arm options. There are four arm types: tri-pack, long rod forearm, hold open arm and hold open parallel arm. The tri-pack arm can be mounted in three different ways: top jamb, standard arm, and standard parallel arm. This provides the distributor and end user with versatility on how the closer can be used.

Q: Are there electrical options available to order on the D-1610?

A: There are no electrical options available on the D-1610.

Q: What is the spring power capability on the D-1610?

A: The D-1610 is adjustable from 2-5 and the D-1611 is adjustable from 1-4. The D-1611 is designed to meet ADA entrance requirements of 5 lbs of opening force or less.

Q: What covers are available to order for the D-1610?

A: The D-1610 comes standard without a cover. However, an optional full plastic cover is available to order.

Q: What options are available to order on the D-1610?

A: The D-1610 is available to order with the following 3 options: sex nuts, security screws & a special rust inhibitor.

Q: Do you have to specify handing when ordering a D-1610?

A: The D-1610 is non-handed, so it can be used on both RH and LH doors for both push side and pull side mounting.

Q: What finishes are offered for the D-1610?

A: The D-1610 is available in 6 finishes: 689, 690, 691, 693, 695 and 696.

Q: What is the lead time for a D-1610?

A: The average lead time for a D-1610 is less than 2 weeks.

Q: What warranty does the D-1610 have?

A: The D-1610 has a 10 year mechanical warranty.

Q: What is the D-1610 list price?

A: The list price for the D-1610 ranges from \$166 – \$201.
