

QTL200 Tubular Locks

Quality, reliability, and value.

The STANLEY Commercial Hardware QTL200 series builds on STANLEY's proven quality and reliability while providing a solid value lever lock for light commercial applications. When you need a tubular lock in standard-duty doors, the QTL200 series delivers design features that make installation and retrofitting simpler throughout the product's lifespan.

Flexibility and simplicity for light commercial applications.

We designed the QTL200 tubular lock series to deliver the flexibility needed in a wider range of applications. From design to construction to packaging, the QTL200 series meets the demands of more applications.

Functions	QTL220 Single Dummy ANSI F75 QTL230 Passage ANSI F76B QTL240 Privacy ANSI F82 QTL250 Entry/Office ANSI F82 QTL251 Entry/Office SFIC ANSI F84 QTL260 Classroom ANSI F84 QTL261 Classroom SFIC ANSI F86 QTL270 Storeroom ANSI F86 QTL271 Storeroom SFIC
Finishes	605: Bright Brass 625: Bright Chrome 613: Oil Rubbed Bronze 626: Satin Chrome 619: Satin Nickel
Warranties	Lifetime mechanical Three-year finish (613 carries no finish warranty)

Features

STANLEY Commercial Hardware QTL200

- **Reliable security.** With features like 1/2” stainless steel latchbolt design and clutching mechanisms, plus an available option for hurricane compliance, QTL200 series locks ensure reliable security.
- **User-friendly features.** A built-in anti-lockout function ensures that if the QTL200 lock is engaged from the inside, it will unlock with a simple push on the interior lever or turn of a button.
- **Better warranties.** The QTL200 lock series comes with lifetime mechanical and three-year finish warranties.
- **Durable safety.** We designed the QTL200 series with heavy-duty torsion springs to prevent lever sag and ensure long-term durability. Each lock in the series is BHMA/ANSI Grade 2 and UL certified.
- **Simple retrofit.** Choose locks with a SFIC option or keep your existing small format cores and use them with QTL200 series locks. Standard door prep and the same thru bolt pattern found in other common locks makes retrofit quick and easy.
- **Easy installation.** Compartmentalized packaging and an adjustable backset latch make QTL200 locks more flexible and easier to install.
- **Reliable value.** The QTL200 series combines premium materials, construction, and performance at a great value—both in your up-front investment and in long-range durability.
- **Short lead time.** QTL200 series locks are available for immediate shipment.

STANLEY Commercial Hardware’s QTL200 series locks deliver quality, durability, and flexibility for a wide range of light commercial applications.
